BACKGROUND AND EXPERIENCE

Please briefly present the partner organization.

Asociación Extremundo is a non-profit Association, established on the 9th of November 2020 and officially based in Cáceres, Extremadura. In a few words, it aims to provide a better quality of life to all the Extremaduran citizens through local, provincial, regional, national, European & international project management.

As indicated in the approved statutes by the Government of Extremadura in the last years, its main objectives are:

1. To develop the Extremaduran region through local, provincial, regional, national, European and/or international opportunities for young and adult

	<p>people, promoting an active citizenship and an intergenerational participation at the same time;</p> <ol style="list-style-type: none"> 2. To provide youngsters - mainly from Extremadura - with services that benefit their personal/social and professional development, in line with the EU Youth Strategy 2019-2017: <ol style="list-style-type: none"> 2.1. Promoting youth participation; 2.2. Promoting youth implication for social transformation; 2.3. Promoting positive experiences related to the leisure time of youngsters; 2.4. Promoting youth job placement; 2.5. Promoting equal opportunities and non-discrimination. <ol style="list-style-type: none"> 2.5.1. Line 1: projects for equality; 2.5.2. Line 2: social action projects. 3. To offer a general or specific empowerment, both offline and online, to the Extremaduran population interested in European and/or international topics; 4. To design and to implement local, provincial, regional, national, European and/or international projects, in order to benefit the urban and rural citizens of Extremadura; 5. To promote the European and/or international volunteering inside and outside the Extremaduran borders; 6. To promote an entrepreneurial learning - including the social, rural, digital, female and youth ones - and the creation of startups related to digital transformation at the local and regional levels.
<p>What are the activities and experience of the organization in the areas relevant for this application?</p>	<p style="text-align: center;">Asociación Extremundo highlights that its staff:</p> <ul style="list-style-type: none"> • Has got professional Erasmus+ experience in countries like Spain, Italy, Romania, Portugal, Türkiye or Georgia; • Has founded and developed several NGOs like ESN UEx, OEB Badajoz, Ingefiex, Asociación Extremundo or Equipo Europa; • From December 2014 until now, has participated and participates in many Erasmus+/international events such as conferences, seminars, training courses or youth exchanges, just because it really believes in Europe as a "tool" to improve any kind of society; • It has already been in 30+ countries to learn about different and interesting topics - diplomacy, entrepreneurship, environment, European citizenship, ICT, project management, women empowerment, youth policies, etc. - for European and non-European citizens, so it is always able to continue traveling globally to share useful information, but also to create new networking opportunities. It can offer its well-

developed networks from all over the world, since it works on them, day by day, since 2010.

Main project developed in 2021:

[Provincial | Diputación de Cáceres] **Empoderamiento personal y comunitario para la provincia de Cáceres mediante proyectos a diferentes escalas** / 2.500 €

Short description - Extremundo has provided different professional courses to empower citizens from Cáceres' province.

Main projects developed in 2022:

* [Erasmus+ | INJUVE] 2021-1-ES02-KA152-YOU-000008802 / **Young fact-checking experts - Unleash your critical thinking!** / 37.200 €

Short description - Extremundo is investing in adequate personal & professional competences for youngsters in terms of fake news mitigation in collaboration with a 7-country partnership from the European Union and beyond.

[Regional | Instituto de la Juventud de Extremadura & Diputación de Cáceres] **Embajadorxs Extremeñxs del Año Europeo de la Juventud** / 8.500 €

Short description - Extremundo has invested in Extremaduran youth empowerment through 10 different training courses which focused on current issues/topics directly affecting that specific target group.

* [Erasmus+ | SEPIE] **2022-1-ES01-KA210-SCH-000083118** / SYSTEM - Supporting Youth in STEM / 30.000 €

Short description - Extremundo is investing in STE(A)M education for 2 years in collaboration with a 3-country partnership which includes 1 association, 1 STEAM center and 3 high-schools from Spain, Italy and Türkiye.

* Ongoing project

Joaquín Martín de Saavedra Rojas – President, Treasurer & Responsible person for the Delegation “Extremundo rayana” at La Codosera

He studied a BA’s degree in Primary Education: Foreign Languages Teaching - English - at the University of Extremadura, currently is finishing an on-line BA’s degree in International Relations at the Valencian International University and offers 12+ years of experience in project management in both private and non-profit sector in different EU countries. Joaquín is also interested in other professional areas such as community management, digital marketing and/or diplomacy. He speaks Spanish, English, Italian, Portuguese and some Romanian. He has visited 32 countries so far in Europe, Middle East and Latin America.

María Victoria Chaparro Gallego – Vice-President & Responsible person for Social Affairs

She works as a specialized social worker providing support to people with disabilities and their families. María Victoria also acts as a professional social coach for NGOs and public entities. She develops awareness campaigns, manages different social programmes and is always involved in gender issues projects.

Raquel Boniquet Sánchez – Secretary & Extremundo Visual Identity team member

She is a web developer and a singer. Raquel loves music, always try to learn new things and collaborates in Erasmus+ projects since 2018.

Javier Martín Morientes – Responsible person for Education, Entrepreneurship and Employment & Extremundo Visual Identity team member

He is a physicist, teacher and digital entrepreneur. Javier worked as an on-line marketing consultant for SMEs from Extremadura, as a teacher of social and therapeutic chess in a prison and recently founded an on-line academy, in order to support young science students. He also likes to offer professional services as a community manager and webmaster.

Melody Cabrera Cruz – Responsible person for the Youth Section “Extreme Talent” & Extremundo Visual Identity team member

She is a graphic designer, tattoo-maker, photograph and illustrator, but nevertheless, tries enriching even more herself day after day. Melody went on a Romanian EVS project on design. She loves communicating and putting people together through art, that is why she has already collaborated with different public institutions like “El Punto Joven” in Gran Canaria, Spain or “Valverde City Hall” in El Hierro, Spain to try to shape the world.

What are the skills and expertise of key staff/persons involved in this application?

Joaquín Cruzalegui – Responsible person for Relations with Latin America

He holds a degree in Communication Sciences and a MA's degree in Administration and Public Policies. Nowadays, Joaquín works as a technical advisor at "Defensoría de los Derechos de Niñas, Niños y Adolescentes de la Nación" in Buenos Aires, Argentina. He also collaborates with magazines and publications in Latin America, the United States of America and Europe.

Carmen Gaitán Coronado – Local collaborator

She is a psychologist specialized in youth and also works with fewer opportunities groups which risk social exclusion. Since 2017, Carmen works in the social intervention area, but in 2018 started focusing more on the promotion of youth mental health. She started her Erasmus+ life 5 years ago through an Italian EVS project on minors' protection.

Alberto Guerrero Blanco – Local collaborator

He studied Law at the University of Extremadura and went on Erasmus Studies to Hungary. Alberto worked as a legal advisor in the Animal Health Service of the Ministry of Agriculture, Rural Development, Environment and Energy at the Government of Extremadura. Nowadays he works as a technician legal superior in the Management Service of the Human Resources and Internal Regime of the Provincial Council of Badajoz.
